

Customer sign-in

SAE customers can either sign in to existing accounts or register as users.

The screenshot shows the sign-in page for SAE International. At the top left, there are logos for 'theIPRegistry.org' (a globe icon) and 'SAE INTERNATIONAL' (the letters SAE in a stylized font). On the top right, there are links for 'Sign In', 'Home', and social media icons for Twitter and Facebook. The main content area has a light blue background with the text 'SIGN IN' centered. Below this, there is a white form box containing two input fields: 'Email' and 'Password'. Below the password field, there is a link 'Not registered yet? Sign up here!', a checkbox for 'Remember me', and a link 'Forgot password?'. A blue 'Sign In' button is positioned at the bottom of the form. The footer is a dark blue bar with 'CONTACT US' on the left, contact information (+44 (0)1865 849 514, cs@theipregistry.org, and social media links), and 'Terms & Conditions' and 'Privacy Statement' on the right.

IP Recognition

Select “sign up here”. The IP address you are accessing the site from will be recognized. If the correct organization is listed click the “Yes, continue and register” button.

IP addresses may not be correctly recognized if you are accessing the Registry via mobile devices or from an off-site location.

If this is the case you should click the “No, let me search for a different organization” button.

The screenshot shows the IP Registry website interface. At the top left is the logo for theIPRegistry.org, which features a stylized globe made of green and blue triangles. To the right of the logo are navigation links for "Sign In", "Home", and social media icons for Twitter and Facebook. Below the navigation bar is a green horizontal bar. The main content area displays a welcome message: "Welcome to the IP Registry, your IP is recognised for:". Below this message is a table with the following data:

Standard Name	The IP Registry
PSI Org ID	GBRCS0ITC662234
Category Description	Corporate
Size Description	S0
Type Name	ITC
Type Description	IT Company
Country Code	GBR
Country Description	UNITED KINGDOM

Search for Organisation (if IP not recognized)

If you select, “No, let me search for another organization”, you can search using you IP address, organization name (alias, acronym, local name, keywords), and/or their 6-digit PSI Org ID.

The screenshot shows the website theIPRegistry.org. At the top left is the logo, a globe made of green and blue triangles, with the text "theIPRegistry.org" below it. To the right of the logo are links for "Sign In", "Home", and social media icons for Twitter and Facebook. Below the navigation bar is a light blue banner with the text "ORGANISATION SEARCH". Underneath the banner is a search area with a text input field containing "81.133.140.39" and a blue "Search" button. Below the search area is a table of search results.

Your organisation should appear below. If so, please select. If not, please search in the box provided.

If your organisation does not appear to be in the Registry you can [Create Organisation](#) here.

Results are initially displayed in order of relevance. Results can be sorted (A-Z or Z-A) by any column.

The PSI Org ID is made up of 5 components: 3-digit country code, category, size, type, unique ID#

The screenshot shows the theIPRegistry.org website interface. At the top, there is a logo and navigation links for 'Junkoyang@publishersolutionsint.com', 'Sign out', 'Home', and social media icons. A 'Browse Menu' is visible below the header. A search bar contains the text 'Liverpool' and a 'Search' button. Below the search bar is a table of search results. The table has columns for PSI Org ID, Standard Name, Alias 1, Alias 2, Country Code, Organisation Type, Url, Ringgold Identifier, Root, Hierarchy Size, and IP Status. The results are sorted by relevance. At the bottom of the page, there is a pagination control showing 'Showing 1 to 10 of 18 entries' and a 'Show 10 entries' dropdown. A navigation bar at the bottom right includes 'Previous', '1', '2', and 'Next' buttons.

Create an organisation

If an organisation doesn't exist already within the registry you can create your organization.

The screenshot shows the 'CREATE ORGANISATION' form on the theIPRegistry.org website. The form includes the following fields:

- Organisation/Library Name
- Title (Mr, Mrs etc)
- First Name
- Last Name
- Email
- Confirm Email
- Telephone Number (please include your country code)
- Mobile Number
- Are you the primary contact?
-

An email is automatically sent to admin@theIPRegistry.org. The IP registry team undertake background checks to ensure that:

- 1) The organisation really doesn't exist already within the registry
- 2) The customer requesting creation is truly affiliated with the organisation requested

Organization details

The detail page provides the organization's information, IP addresses, affiliates, areas of interest etc.

The screenshot shows the user interface of the theIPRegistry.org website. At the top left is the logo for theIPRegistry.org, which features a globe made of green and blue triangles. To the right of the logo, the user's email address 'Junkoyang@publishersolutionsint.com' is displayed, along with links for 'Sign out', 'Home', and social media icons for Twitter and Facebook. Below the header is a green navigation bar with a 'Browse Menu' link. The main content area has a title 'University of Oxford' and a row of five buttons: 'View on hierarchy', 'Manage Organisation Details', 'Manage IP Address Details', 'Manage Users', and 'Delete'. Below the buttons is a table of organization details.

You can edit an organisation's IP addresses by clicking on the "Manage IP Address Details" button.

Before saving any changes customer users will be asked to submit "supporting documentation".

We accept the following forms of supporting documentation:

1. Copy of email detailing the change
2. Free text explanation to support the change (e.g. "I, Joe Bloggs, administrator for XYZ University, confirm that this is an old IP and no longer used. JoeBloggs@xyzuni.edu 5.1.2018").

Users can add IPs, delete IPs or change the status of an IP.

IP changes are also double checked against IANA data. If, for example, the customer's IP address relates to the wrong country this will be flagged and the publisher will be advised. The publisher will also be advised if the IP address relates to a hospital etc., so that licenses can be checked and amended if necessary.

If an IP address is already recognised within the registry a warning message will appear. This will eliminate a large number of potential errors.

IPs listed in green are verified, those listed in amber are awaiting verification, and purples are third party aggregators such as EZ Proxy.

Submit supporting documentation

Supporting documentation can be submitted easily by clicking on the “Supporting Documentation” button. If there are conflicts with IPs already verified within *The Registry*, the team will investigate. We will contact the user if there are any issues to be resolved.
